Aim

8th International Conference of Advance Mechanical Engineering Research and Innovation (ICARI-2021) is a premier international conference which aims at current challenges in science and technological advancements with research updates and innovations which is shaping the future of mankind. This conference welcomes all scientists, engineers, technocrats and researchers from all walks of society to share their knowledge and wisdom for exploring solution of current and future challenges. This platform provides an international forum for researchers to exchange of ideas in recent advances on various aspects of theories, analysis, experimentation and computational methods in science, technology and management etc.

Area of Interest

It is a **multi-disciplinary conference**, which includes all areas of Science and Technology used for material research including old material and new material performance in various field. Innovative original research papers on topics covered under following broad areas (but not limited to). Materials used in

Applied Science, Social Science, Earth Science, Management Science, Pharmaceutical Science, Computer Science and Engineering, Electronics Engineering, Mechanical Engineering, Civil Engineering, Electrical Engineering, Industrial Engineering, Production Engineering, Automotive Engineering, Marine Engineering, Automation Engineering, Architecture and Building Materials, Bio-Mechanical Engineering, Chemical Science and Engineering, Material Engineering, Bio-Medical Engineering, Environmental Science and Engineering, Information Technology, Humanities, Commerce and Economics, Health Science, Medical Science, Biotechnology, Physical Science and Education, Cyber physical system, Life Science, Micro Biology, Space Science, etc.

Topics and Tracks:

Track -01 -Current Scientific Approach and Techniques: -Applied Science (Physics, Chemistry, Mathematics, Biology Science, Statistics, Humanities)

Track -02- Processing and Manufacturing of accessories: - Medical, Paramedical, Pharmacy, Biotechnology

Track-03 - Advanced coding, modelling and simulation: - Engineering (Electronics, Electrical, Computer & IT)

Track-04 –Materials, mechanical and physical properties: - Mechanical, Civil, Environmental, Industrial and Production Technology

Track-05 –Inventory, economic and quality management: - Management Science, Commerce and Economics

Track -06 –Environmental issues and waste management Techniques: -All Engineering streams

Track -07 –Research and Innovation: Space applications, automotive, rail and bio-medical applications, offshore and sub-sea applications, renewable energy, composite repair and industry needs.

Prospective authors may submit manuscript by E-mail address, as **doc file** attachments to:
icari.2021@miet.ac.in

Else-

bhupendra.chauhan@miet.ac.in

Visa Letter

Letter of invitation can be provided (if necessary) on request, for VISA processing.

Registration Desk

All participants must register before attending the conference. The appropriate registration fee includes conference kit, tea break and lunch break. Registration fee is nonrefundable. Registration fee is accepted through Draft/Cash/ NEFT

Sponsorship Packages (in Indian Rupee)

ICARI-2021 section conference brings a host of opportunities to be a part of this event and highlight your program/ product/ institution in front of eminent from industry and academia. There are various levels of sponsorship for the Conference and recognition will be given to each sponsor at the social and business events, in pre-Conference marketing materials, conference website and related activities. For more information please click the sponsorship plan.

Exhibitors/ Sponsorships

At ICARI-2021, you will meet with representative from industry, leading scientists, research professors, research scholars from all walks of science and technologies.

Guidelines for abstract

Selection of papers presentation will be based on detailed abstract of up to 300 words and a maximum of five key words. Abstracts will be reviewed and only those abstracts approved by the reviewers will be selected. A soft copy of the abstract in Microsoft Word for Windows should reach the conference. The electronic copy should be mailed to

bhupendra.chauhan@miet.ac.in

or

icari.2021@miet.ac.in

Paper Presentation in Absentia

Those who cannot come to Delhi but wish to present paper are also encouraged to send their abstract. Papers presented in absentia are eligible for publication in conference proceedings.

Important Dates

Submission of Abstract	15 January 2021
Paper Acceptance Notification	15 January 2021
Last Date for full paper	20 January 2021

Reach the venue:

□ ICARI 2021 will be held at Meerut Institute of Engineering and Technology, Meerut (UP), 250005, India. It is about 70 km from Delhi. The nearest airport is the Indira Gandhi International Airport which is about 100 km away. There are 2 main bus terminals, namely Bhainsali bus terminal and Sohrab Gate bus terminal from where Uttar Pradesh State Road Transport Corporation (UPSRTC) buses ply to cities all over the state and all nearby cities. Meerut lies on

the Delhi Saharanpur electrified railway line. Daily trains connect Meerut to Delhi and cities in other states of India. The conference is ready to provide travel support on request. For more detail please [visit-www.miet.ac.in](http://www.miet.ac.in)
